Theme - 25 Arkansas NSRP organizer castigated the late American Nazi Party ~~leader~~ head ~~for~~ George Lincoln Rockwell as a "Jew-boy" and praised his own group as "The most extreme anti-semitic group in the country"

Sh. 24 It is not that the FBI knew nothing about the NSRP. They just never told the Commission about it. For example, one of the more ~~big~~ big name racists of one of the same stripe types who became its officials is the 1963 convention of its young national youth ~~leader~~ leader, Jerry Dutton of Planned Birmingham, Ala., police department informants at NSRP headquarters preparing to plan and bomb Robert Shelton's home in the Spring 1968 issue of Klan Smoke.
